2012 Vintage: 2012 was very close to winter frost, very close to spring frost and spring drought. It was one of the hottest in the summer and the harvest finished before autumn started. Because of the balanced growth of the vines and good planning of the harvest we successfully overcome all the weather difficulties. The crop was 10% lower than expected but of excellent quality. Because of high daily temperatures we had to pick the grapes early in the morning to get them cold into cellar.

Winemaking: The grapes were harvested between 14th, 18th and 19th of September. Only clean, perfectly ripe grapes were picked into small 12 kilo perforated crates. The grapes were gently handled with minimum air contact of must, juice and wine. The juice was fermented in stainless steel tanks over three weeks at under 15 deg. C. The wine was carefully racked, filtered and bottled.

Taste: Despite its lovely youthful Riesling character, the wine is already showing great potential. It is developing an intense lime zest and peach varietal bouquet with hints of basil perfume which follows through to the palate showing length and elegance with a lively, crisp style and beautiful balance.
