**2012 Vintage:** 2012 was very close to winter frost, very close to spring frost and spring drought. It was one of the hottest in the summer and the harvest finished before autumn started. Because of the balanced growth of the vines and good planning of the harvest we successfully overcome all the weather difficulties. The crop was 10% lower than expected but of excellent quality. Because of high daily temperatures we had to pick the grapes early in the morning to get them cold into cellar.

**Winemaking:** We harvested Šipon on 17th, 19th and 21st of September. Cold grapes were harvested into small 12 kilo perforated bins. Perfectly ripe healthy grapes were quickly and gently pressed. A small proportion of pressed juice was added into the blend which was racked to barrels. Each step of handling was made with minimum air contact. 3 weeks fermentation in stainless steel tanks below 150 C. 10 % of the wine was barrel fermented - new Seguin Moreau French 225 litre barriques - and left on fine lees for four months. Gentle filtration without fining, followed by early bottling in March 2013.

**Taste:** Fragrant grass, apple, and peach on the nose. Lively acid is nicely balanced on the palate. This noble wine shows delicate but unusually persistent flavour ideally served with classic fish and oysters.
